“SUNS” Mission

The mission of a SUNS event is to create a safe and friendly environment where members and their guests can enjoy each other’s company based on mutual respect. Consideration for others, common sense and a few simple guidelines will help everyone create and sustain the special atmosphere that characterizes our gatherings.

The safe, open, relaxed and inclusive atmosphere of our events is only possible because of the dedication of every member of SUNS to preserve it. We all have an obligation to watch out for one another and to assure everyone’s safety and comfort.

Behavioral Guidelines

1. Nudism is not about sex. Any behavior that would not be appropriate in a public setting is not appropriate at a SUNS event. This includes conversations, comments and jokes of a sexual nature. Keep it family friendly.
2. Please respect the personal space of all individuals. It is everyone’s right to be free of unwanted attention.
3. Members are responsible for the behavior of their guests.
4. Always sit on a towel when nude.
5. Photography is not allowed at any event. Under no circumstances should you ever take a picture of someone at a SUN event. SUNS marketing photographs will be pre-approved by the event director. Anyone who may be in the photograph will be asked for their consent before the photograph is taken.
6. Unless an event is a “clothed” event, clothing is always optional at our events. Nudity is never required. It is inappropriate to comment on anyone’s choice of being dressed or not.
7. SUNS events are alcohol and drug free. (NOTE: Some exceptions may be made for alcohol and will be decided on a case by case basis. SUNS members will be notified of these exceptions ahead of time. Examples might include: events at restaurants, camping, etc.)
8. Think twice before giving a nudist a compliment. Compliments, though intended to be innocent, may be received as if the person’s body is being judged or evaluated in a sexual or non-sexual manner. When this happens, the ideals of nudism being a safe place to be naked, not judged, but rather accepted and equal become meaningless. So please be careful about the words you use with each other.

I have read the guidelines as printed above and agree to abide by them. I understand that any violation will result in actions which may range from being asked to correct the issue, to leave the event, or to lose my membership without refund. In the event of any losses sustained by myself or my guests at any SUNS event, I agree to hold harmless and wholly non-liable the organization, the officers thereof, and the facility and hosts thereof. I agree to

submit to a criminal background check. I understand this is a clothing optional event and I affirm that I am not offended by nudity. I hereby submit this application to be accepted as a member of Southern Utah Naturist Society.
